

Welcome Visitors & Emergency Personnel:

Our pets are being cared for by a professional who comes in at various times during the day. Please help us provide the best care for our pets by following these special pet care guidelines:

- **If a pet escapes, is injured or ill, or is having any issues, please call the pet sitter ASAP (number below).** The pet sitter does have our emergency contact numbers. In the case of severe injury, please take our pet to the emergency vet clinic.
- Please make it obvious that you are here: park in the front, tape a note to the door, and listen for visitors. The police may be called on unexpected visitors. Always carry ID with you.
- Please do not feed the pets or give them any treats, even nibbles, unless instructed to do so.
- Please return the radio, tv, lights, windows, doors, fans, and locks to their original settings.
- Leave a note before you leave each and every visit. A sheet may be provided. Details can be very brief, but please do mark down if
 - Pet was fed treats or food
 - Pet was given water
 - Plants were watered
 - Pet had a vigorous play session
 - Any accidents were cleaned up

Also please mark down your name, arrival and departure times, and any future visits.

- Locate each pet, and check to see that no pets have escaped out the door or into a forbidden area (such as a closet) each time before you leave.
